

# Harlow Summer Seminar - Special Event

AT THE UW-NPS RESEARCH STATION AT THE AMK RANCH, BEROL LODGE  
OPEN TO THE PUBLIC

WEDNESDAY, SEPTEMBER 21ST, 2022, NOON-2PM

## ***Tribes, Treaties and National Parks***

*Sponsored by Wyoming NSF EPSCoR and the UW Biodiversity Institute*

Dr. Tarissa Spoonhunter  
*University of Wyoming Haub School*

Dr. Spoonhunter will speak about her research on the long-term relationships that Native American tribes have with National Park lands and how treaties and other policies have shaped those relationships since the lands were designated as Parks by the U.S. government.

*\*Light lunch available to the first 40 attendees, starting at noon. The talk starts at 12:45pm. We're back at the station! Join us for this special event in our regular seminar location at the AMK Ranch, in the Berol Lodge, or on Zoom.*
